Rick Dale from Rick's Restoration pulls the winning raffle ticket for the Pencil Dispenser which was featured on an episode of American Restoration.

**The lucky winner was Jesus Gutierrez from
Amarillo, TX
Congratulations, Jesus!!!**

PRESIDENT'S REPORT

by Dan Kaminski

Our Pencil Dispenser Raffle was a big success. We sold more tickets than we had anticipated selling and, in fact, had to order more raffle tickets. After all expenses were paid we made close to \$10,000 on this event. I spent probably close to 300 hours down at Rick's Restoration selling tickets. Guess it paid off, this fundraiser was a huge success.

The General Membership Meeting and Awards Banquet was a success. We presented awards to quite a few of our supporters and volunteers and, of course, had the drawing for the Pencil Dispenser. Rick and Kelly Dale did the honor of drawing the winning ticket. You can see all the pictures later in this newsletter.

I attended a Commanders Meeting and took a tour of the surgical suites and patient rooms. All are handicap accessible. Ms. Johnson, Enrique Chavez and I met with John Bright to discuss assigned SCI parking spots and different accessibility issues. Mr. Bright assured us these issues will be resolved in the coming months.

We once again had a very successful Trap Shoot and Pistol Shoot and I want to thank everyone who participated and also those who worked hard to make this event successful.

We've got our new VLO in place at the hospital. Patti Matysiak can be reached at 702/791-9000 ext. 14458. Please stop by and introduce yourself should you be in the hospital. Patti will be working closely with NSO Enrique Chavez, as well as our new NSO Carmen Rudolph.

We've got some fundraising ideas that we are working on and will advise as they come to fruition.

The Entertainment Reimbursement Program is still in place so please use it. We will pay you **up to \$100** a quarter to get out in the community and have some fun. Go to dinner, movie, or a show. All you have to do is have fun and then send us your receipt along with a small write up of the event which will be printed in the newsletter. **Do not** save the receipts until you total \$100, send them in as you go to an event. You must turn in your receipts and write up **within 3 weeks** of having attended the event.

As we prepared to go to press on this newsletter, I have just been informed that Jan Skiba, our former SCIS Social Worker passed away peacefully in her sleep. Jan was a great asset to SCI and she will be truly missed.

Vice President's Report

by Lester Wood

I recently had the opportunity to visit two of our new departments at the hospital, and was quite impressed. The Dental Department has added more stations, and we now have two Dental Technicians.

I was unaware that we also have a Wheelchair Repair Technician. I spoke with David who was working on an off-road type wheelchair. He's a little cramped right now. Until they open the space for repairs, he's using his office as a repair shop.

I also attended the our General Membership Meeting and Awards Banquet, which was well attended. Representatives for national, local and state government were in attendance as well as our membership, and many other supporters of our chapter. Awards were presented, and fun was had by all.

I would like to give a big thank you to Julie Johnson and Ann Perelman for their hard work to make it a successful event. A special thank you to our President, Dan Kaminski, for his effort in raising money for our chapter with his pencil dispenser. We look forward to seeing more of our membership at the banquet next year, and thanks to all that made this year a success.

The following day we met with Tom Hudson, to see how we might be more helpful to our Northern Nevada members. Tom and Roger Dauffenbach are doing a great job in Reno for the chapter to involve our members and veterans there.

On the human interest side, my wife and I were having a meal at a restaurant recently, when a couple were seated across from us. The gentleman looked at my Army hat and said "I like that hat." I thanked him and continued eating. When we had finished, the waiter came over and told us that the couple across from us had paid our bill. We thought he was just kidding, we've never had total strangers pay for anything for us. We however, found out that the waiter was not kidding, and that the couple did pay our bill. After thanking them we found out that their entire family was military, and they just wanted to say thanks to me. They were visiting here from Montana. In talking we were able to share information about Nevada PVA. It's a pleasure to know that there are still kind people in this world.

I will be giving a report on the Mid Winter Board Meeting in the next newsletter.

Join us for our First Annual 5K Walk,
Run and Roll Marathon at Bunker Park
on May 4th. Contact the office for a
registration form.

Sports Report

by *Kenny Rogers*

Since my last trip to Tucson in November, I have been enjoying a hiatus. The most interesting thing that has happened so far this year was our Sports Teleconference in January. The best news I had was we are adding another classification for the senior competitors. There will be a new classification for the National Veterans Wheelchair Games for all entrants over 60 years old if desired. Personally, this makes me happy. To all my sports minded friends, hope you have a great season.

Nevada PVA Trap Shoot – Wow what a great time we had and happy to report six squads attended our 17th Annual Shoot. The team champs were Cal-Diego and Howard Hughes was the top overall AB shooter and Doug Vann top wheelchair champ. Will Vann ever give the other shooters a chance?

Other winners were:

Class A - Doug Vann

Class B - Ed Hutchinson

Class C - Keith Rheinhardt

Class D - Joe Fox

See www.pva.org for all the winners.

Happily I can report that I managed a 2nd place again in Doubles (D class).

Thanks to all the competitors and volunteers and, of course, our in house office staff plus Hilda Fox and Andy McDonald. Many thanks to you all.

Doug Vann receives his prize from Ms. Wheelchair Nevada, Ashley Vardell

Mr. Fiocchi and Joe Fox, Past National President at the Nevada PVA Trap Shoot
Thank you Mr. Fiocchi for your support.

Entertainment Reimbursement

For we stay-at-home humans, it is a real treat to have a date for a good movie and dinner. As we all know now, "Lincoln" got many rave reviews and the actors did a superb job. For my thinking it was a little too long but an enjoyable drama. For an after dinner meal, at a medium priced eatery "Applebee's" is always a good choice. *Kerry Rogers*

How did they do that? That was the repeated question we asked ourselves as we attentively watched the stage show "Magique" performed by Kevin and Caruso at the Reno El Dorado show room. What an amazing production--a whirlwind of awesome magic, costumes, special effects and razzle dazzle. The show package included dinner at the Roxy restaurant overlooking the El Dorado's famous fountain. The Early Bird menu offers a choice of filet mignon, fresh catch, or a pork entree including hot fresh baked bacon/cheese bread or French bread, soup or salad and dessert. Everything was delicious. The service is excellent and the atmosphere of the dining area is very cozy with candlelight and fresh flowers on each table. We enjoyed a very special evening celebrating Valentine's Day. Thank you Nevada PVA. *Don Phillips*

I saw several movies this past three months. I liked Django Unchained the best. Second place was Silver Linings Playbook followed by Argo, Les Miserables and Flight. Of course they may all be out of the theaters by now so watch them if you can on TV. *Stanley Stavinski*

The Fit but not Forgotten program is a weekly fitness program located at the Evelyn Mount Northeast Community Center. Participants attend 4 classes and upon completion are eligible for a FREE facility membership pass good for one year so they can enjoy continued use of the weight room/cardio room and additionally have access to open gym, open swim and water fitness classes. Contact April Wolfe, at the City of Reno at 775/333-7765 or wolfea@reno.gov for further information. Sign up for the classes as space goes quickly. This is a VA backed program and includes a PT to help out.

Veterans help in Reno: New and freshly open for service to all era Vets is the N. NV Vet Center, check them out at 419 W. Plumb, Reno, NV 775/284-8387. Services provided include housing assistance for eligible veterans, housing and assistance for HUD-VASH or Section 8 veterans and other veteran resources.

Looking for a VA job? check out vaforvets.va.gov/pages which helps veterans get jobs in the VA. This site can help you write a sterling resume and you can actually talk to a live person to get feedback and other job assistance. This site also posts jobs sometime. There are counselors available to help with job search and reintegration and other job related services.

SCHOLARSHIPS

Don't forget, Nevada PVA offers three (3) annual full-time scholarships in the amount of \$2,000 each. It is open to any student attending a college or university as long as they are a family member of a Nevada PVA member. Deadline for application submission is June 30th and awards will be made in August in time for the fall semester. The money will be sent directly to the college or university. Please contact the office if you would like a scholarship application package sent to you.

Cash for Clunkers

If my body were a car, this is the time I would be thinking about trading it in for a newer model. I've got bumps and dents and scratches in my finish, and my paint job is getting a little dull. But that's not the worst of it. My headlights are out of focus, and it's especially hard to see things up close.

My traction is not as graceful as it once was. I slip and slide and skid and bump into things even in the best of weather.

My whitewalls are stained with varicose veins. It takes me hours to reach my maximum speed. My fuel rate burns inefficiently.

But here's the worst of it...

Almost every time I sneeze, cough or laugh, either my radiator leaks or my exhaust backfires.

Cash for Clunkers...I Qualify - How about you?

I Know Your Needs, and I Can Help You Get a Life Without Limitation

By: Mo Abusham, President

Hello, my name is Mo Abusham, and I am the president of Better Life Mobility, where people with specific mobility needs go to purchase top-of-the-line mobility products. For over 15 years, I have used the products that Better Life Mobility sells, and I can personally say that you simply cannot find better services or mobility devices to make your life more fulfilling. My "story" may be the same as yours, or it may be completely different, regardless of the outcome is very similar. I was permanently thrust into a wheelchair at the young age of 18, when an accident stripped me of my ability to walk. I can honestly say that I felt as if my life were over. After taking the appropriate time to myself, I realized that I would only be as active as I chose to be. I soon discovered the countless products and services available that helped change my life and my attitude in general. Now the sky is the limit to what I can do, and none of this would be possible without the unsurpassed mobility products and customer service that Better Life Mobility provides. When a customer enters Better Life Mobility's door, they will walk into a 5-Star Mobility dealership, with wheelchairs, powerchairs, and scooters on display. Customers will find medical supplies like walkers and canes along with medical beds, orthopedic supplies, ostomy products, and home diagnostic care equipment. You will be impressed by our displays and stands featuring scooter/wheelchair lifts and carriers, so you will not have to shop from a catalogue. Our showroom also features state-of-the-art wheelchair accessible vans by all major manufacturers. I am a firm believer that Better Life Mobility's purpose is not only to provide you with all the adaptive equipment that you need, but also to develop genuine, lifelong relationships that will help serve both of us for years to come. I invite you to get in touch with us today and begin to live your life to its fullest potential, a better life... a life without limitation!
