President/Executive Director's Report

By Dan Kaminski and Julie Johnson

The We R Community Grant from Desert Pines High School was awarded to us to help sponsor the Paralympic Kids week long summer camp. During this week long camp, the kids participated in some amazing adaptive sports and wellness programs such as adaptive volleyball, handcycling, trike riding, kayaking (in the pool at the YMCA), swimming and all sorts of other sports.

On the last day they had a cowboy themed day with lots of fun activities like panning for gold, a petting zoo, pony rides, cowboy hats, the list goes on. This is one of our favorite events, just watching their faces light up is truly amazing..

Dee for Dentist—what an awesome fun bunch of people at this dentist office. They have a program called “Fills for Good” and every quarter they pick a category they want to donate to. Whichever organization gets the most votes, you win. We WON \$1,500. Thank you for supporting veterans and the Southern Nevada Community.

August 23rd at the Orleans Casino, we will be hosting another Senior Spotlight Spectacular where you can get all kinds of information regarding the needs of seniors plus free food and entertainment. All proceeds will benefit the Nevada Veterans Foundation to help build a Fisher House next to the VA Hospital on Pecos Road.

August 26th PVA Summit at the Paris Hotel. We will have an opportunity to see all the newest adaptive products on the market.

October 1st, Veterans Service Fair—will be held at the Cambridge Center. This fair’s main goal is to help homeless and low income veterans get back on their feet. Providers will help with getting in the VA system, dental, hygiene, haircuts, hosing, jobs, warrants, clothing, veterinarian care for animals, etc. If you know of anyone needing these services, please pass the word.

One of our volunteers and wife of past president, Mike Stern has passed away. Linda Stern we are sorry for your passing and our thoughts and prayers are with your family. You will be missed.

Vice –President’s Report

By Lester Wood

We at the chapter started off the month of May with a bang, one of our biggest fundraisers, the San Gennaro Festival. It was held May 7-11. San Gennaro is an annual event held in honor of San Gennaro, the Patron Saint of Naples. Unfortunately the weather didn’t cooperate with us this time. High winds, and cooler temperatures and unruly teens didn’t help this year’s giving. We hope to do better with our next festival in September.

We recently also held a Lacrosse clinic along with our National office. If there is enough interest, we might be able to sponsor a team. We also held another BBQ for the Paralympic Kids at Rancho High School. I was really disappointed that I could not make it, the kids bring so much joy to us, their smiles just melt your heart watching them enjoying themselves with their parents.

In June we went to Desert Pines High School to receive a grant presented by We R Community made up of some of the top students in the school. We at Nevada PVA were so proud of the young people for choosing us as a recipient, and for all the hard work that they are doing for the community.

We also held our Annual Fishing Trip at Lake Mead. We had a great turnout and everyone enjoyed themselves, even though no fish were caught.

The month of June started out on a sad note when we learned of the passing of Linda Stern, the wife of our past president Mike Stern. On June 9th members of our chapter joined Mike and Linda’s family for her home going. We at Nevada PVA will continue to keep Mike and Linda’s family in our prayers.

As the Vegas heat gets into high gear we will be cutting back on some of our activities for a couple of months. I hope everyone has a safe and awesome summer.

“One day someone is going to hug you so tight, that all of your broken pieces will stick back together”
Anonymous

UPCOMING EVENTS

Senior Spotlight	August 23rd
PVA Summit	August 26th
San Gennaro Feast	September 9-14
Veterans Service Fair	October 1st

If you would like to volunteer to work any of these events please call the office at 702/646-0040

Sports Report

By Marc Fenn

In June I traveled to Oklahoma for the Endeavor Games and had a great time while there, it's now been around 15 years since I took part in these games. I took part in them a long time ago when it was just starting out and I was amazed to see how much they've grown.

I would say there were over 50 juniors competing and well over 100 adult athletes competing in all types of events.

I was able to apply for a veterans grant for the camp and they paid for living accommodations and food; I only had to pay for the flight. The accommodations were neither accessible nor comfortable. We got to eat on campus time and not event time and missed several meals. Many athletes complained about it and will be commenting on it when the surveys come out soon.

I placed 4th in javelin, discus and shot put. Only two meters off from gold in most events. Once I start training again, I believe I can change these results for next year's game's

Thanks again to the board for allowing me the opportunity to attend and participate.

SCI News

By Jennifer Yanez, LCSW
SCI Coordinator, VASNHS

Greetings! Thank you to all the participants in the KT SCI Wellness Program. Our summer cycle is well underway and not only do we have weekly exercise class led by Kinesiotherapy, but also speakers from RAGE, Parks and Rec, My HealthVet, the MOVE program, and a special Tai Chi class. SCI Nursing, Social Work, Recreation Therapy and Kinesiotherapy co-facilitate this program and hope you can join us for the fall cycle beginning in September. This is a great way to learn new information or refresh your knowledge and get some exercise! The Wellness Program meets twice per week, Mondays and Thursdays, and you must attend both the lecture series and the exercise class. Please call the VA SCI/D clinic if you would like more information: Jennifer Yanez, (702)791-9000 x15288.

For those of you with a clothing allowance, and have submitted application 10-8678 pay out will be at the end of October.

Entertainment Reimbursement

Attended "Junefest" at the Sunset Casino's outdoor amphitheater. It was a long concert with four different groups. The last group was Creedence Clearwater Revisited. All of the groups were good, but Creedence sounded just like they did when they were on the radio back when I was still in high school and when I was in the Marine Corp. They were my favorite group back then, so hearing them brought back a lot of memories. *William Frankell*

Thank you for having the entertainment reimbursement program, it helped pay part of the dinner tab at Tony Roma's while vacationing at Disneyland. *Dan Kaminski*

My wife and I went to Don Vito's on her birthday and they were very good considering they were a little pricey. We didn't have reservations and it was on a Friday but we got right in. Also went to Ted's Place in Laguna Niguel, it was great. *Taylor Boclair*

Thank you for letting myself and a guest enjoy the Bangles concert and a day of shooting at the Green Valley Range. *Dan Kaminski*

New Program Open to Eligible Veterans from Rebuilding Together Southern Nevada

Major rehabilitation of 10-15 veterans homes. They will be doing HVAC replacement, insulation, double pane windows, basic weatherization, etc.

To qualify, the homeowner must be a veteran and not exceed 80% Area Median Income. For a single person living alone that's about \$36,000. That number goes up depending on the number of occupants living in the home.

The only caveat is that the homeowner must pay back a portion of the funding **IF** they sell the home in a certain amount of time. Go to RTSNV.org to see this and other programs that may be available to you.

Ken's Komedly Korner

After a first date, with both parties splitting the cost of diner and a movie, the young man was rebuffed at the door by his date. "Since we've gone Dutch on everything else," she said, "you can just kiss yourself goodnight"

Northern Nevada News
By Tom Hudson

Well summer is here with all its fun and activities. At the recent Reno PVA Annual BBQ, Dan and Julie got to meet our temporary Reno VA Director. Dr. Kurt took a new position at another VA. As you read this, the Phoenix VA has added one of our neurologists, Dr. Chan to their staff as well. Our losses continue with the passing of one of our members, Dianne and a VA mobility provider and PVA friend, Wayne Bachand of NV Seating and Mobility.

Our regular meetings restarted June 18th with our Annual BBQ with Chef Roger doing BBQ vittles at the VA Quad. By the way, there is a walkway between the new SCI building in what was the NE corner parking area and the hospital side.

One last request to our members in N. Nevada, could you please send your email address to n.nv_pva@hotmail.com?

I recently had some ramp/door issues with my van, *I couldn't get out!* I took the van to Medtech in Reno; they are the only nearby Braun Service group. Long story short, their mechanic got the door open, got the door responding to commands, and got me on my way, *FREE!* Since Medtech has become the sole VA vendor in Reno, I hope this attitude for simple fixes spills over to all departments.

Sports

General Activities: In N. NV and N. CA please check the Northern Nevada tab at the website: nevadapva.org/northernnv as there is expanded coverage for those of you traveling with family and kids. Both the City of Reno and Sacramento publish excellent newsletters detailing events for all disabled folks at their respective websites.

For everyone looking for a high octane exhaust fix, several venues are currently being worked on. This will include car and air races I'll post with I get the details so keep checking the website. So far there isn't anything new. Also, if you want to keep posted on a more regular basis, send your name and email address to n.nv_pva@hotmail.com

Looking for a Paralympic sport program in your town? Traveling and would like to find some awesome adapted sports at your vacation destination? Simply click here! <http://findaclub.usparalympics.org>

Just a reminder that the low/no cost full gym program for Veterans- *Fit but not Forgotten* in Reno is readying its next intake cycles with the noted day & time changes. The four class requirements taken on Tuesdays 1300 or Wednesdays at 1730 and upon completion are eligible for a FREE facility membership pass good for one year so they can enjoy continued use of the weight room/cardio room and additionally have *access to open gym, open swim and water fitness classes*. Contact April Wolfe, Therapeutic Recreation Specialist, City of Reno, at 775-333-7765 or wolfea@reno.gov for further information. This is a VA backed program including a P.T. tasked to help out.

April has also started Project Fit sponsored by the Neilson Foundation. This works the same as FBNF above, but is directed towards non-vets that are recovering from SCI.

LOCAL VENDORS —*these are folks that discount for Vets in Northern Nevada all year long, not just on Veterans Day.*

Veterans Transportation Service (VTS)

We understand there may be some confusion as we upgrade your options under our Veterans Transportation Services. Ultimately, we believe the new improvements will better meet your needs and give you greater access to your VA. We encourage your feedback and invite you to visit our Facebook page as well as our website to get the latest information or let us know how we are doing. The VA Southern Nevada Healthcare System is committed to being your health care provider of choice and we take pride in knowing you entrust us with your care.

Who's Eligible?

All Veterans enrolled in VA health care are eligible for the new transportation program.

How Do I Schedule a Ride?

Veterans can schedule transportation through their VA Primary Care Provider or by calling the VTS office at 1-844-859-5074. Please schedule transportation ahead of your appointment time.

For more information, contact 1-844-859-5074 | www.lasvegas.va.gov
