

Adaptive Connect: Cycling Series Comes to Reno!

The City of Reno Parks, Recreation and Community Services Department offers a wide range of activities and services. From sport leagues and rental facilities, volunteering opportunities, inclusion/adaptive recreation programs and services to parks and trails, there are hundreds of ways to recreate in Reno.

Join us while we cycle various locations in Northern California and Nevada throughout the summer/fall. There will be a series of organized rides in the Bay Area, Sacramento, and Reno. Each ride will offer routes of varying distances for beginner to advanced cyclists. View the City of Reno ride [here](#) or contact April Wolfe for more information and to register for this upcoming event at 775-333-7765.
