Mission Statement

The mission of Nevada PVA is to improve the quality of life of U.S. military veterans and others who have spinal cord dysfunction through the use of adaptive sports, recreation, wellness programs, outreach, education, research and support.

Disclaimer

The Nevada Chapter of the Paralyzed Veterans of America is a non-profit organization. We do not ask for or receive any money from any federal or state agencies. All of our funds are received mainly from donations. All members of the Paralyzed Veterans of America have sustained a spinal cord injury or disease. This newsletter is a publication of the Nevada chapter and is meant to inform its readers of Chapter activities, legislation, and other matters of concern to veterans and/or members of the disabled community. The opinions expressed in this publication do not necessarily reflect the views of Nevada PVA, its officers, board members, the editor or production staff.

President/ED Report

by Dan Kaminski and Julie Johnson

We are wishing everyone a happy holiday season. Please remember your veterans and those less fortunate.

Reflecting on this past year and some of our accomplishments; our Adopt-A-Vet Program has grown to more than double once again. We are now serving 100 veterans monthly, over 400 at service fairs and over 200 for holiday season delivery with basic needs. So if you or someone you know is a disabled veteran and in need of food, hygiene products and clothing please let us know and we can get them signed up on our monthly program. Nevada PVA once again received the President's Award for this program through our National PVA. A huge thanks to all of our donors and volunteers that make this program possible!

Throughout the year we mentor and sponsor several disabled children's events. These moments are very special to us. We have also helped several of their families with basic needs as well.

Veterans Day is intended to honor and thank all military personnel who served the United States in all wars, particularly living **veterans**. It is marked by parades and church services and in many places the American flag is hung at half-mast..... **Veterans Day** is officially observed on November 11.

All Gave Some.....Some Gave All

Nevada PVA will be participating in the Veterans Day parade. If you would like to join us please call the office and we will let you know where to meet.

Nevada PVA sponsored a Panda Express party for the veterans at the Southern Nevada State Veterans Home. We love going out there and spending time with our fellow veterans.

We will be attending the annual Toys 4 Tots golf tournament and sponsoring the first hole so stop by and say hello.

Our annual Bowling Tournament is around the corner. If you would like to participate give us a call or you can go to the AW-BA website. If you would like to have a night of fun No Tap 9 Pin and team up with a wheelchair bowler please see our one page ad in this newsletter or give us a call and we will sign you up. Up/Down Bowl will be December 6 at Sunset Station \$25 to participate and try to win some prize money.

Our thoughts are with our loved ones and those we have lost this year. We are still praying for those who were hurt or in harm's way in our military and throughout our country.

We are wishing you all an Amazing New Year!!!

Hope to see you next year at our many events including Fishing at Lake Mead, Walk, Run & Roll 5k, Banquet, Open House, Air Guns, Bowling, etc.....

December 14	Poker Tournament
December 18	Paralympic Kids Christmas Dinner
December 21	Nevada PVA Christmas Party
December 23-January 3	Office Closed for Holidays

NSO Report
by Tami J. Anderson

Attention All Vietnam Blue Water Navy Veterans

Public Law 116-23, Blue Water Navy Vietnam Veterans Act of 2019 was signed into law on June 25, 2019 and will go in effect January 1, 2020. What does the law mean? It means a veteran who served aboard a vessel operating not more than 12 nautical miles seaward from the demarcation line of the waters of Vietnam and Cambodia between January 9, 1962 and May 7, 1975; are presumed to be exposed to herbicides and may be entitled to service connection for conditions related to that exposure.

The following are conditions related to herbicide (Agent Orange for example) exposure and to be entitled to disability compensation benefits, a veteran must have one or more of the conditions:

- AL amyloidosis
- Chloracne, or other acneform disease consistent with chloracne
- Chronic B-cell leukemias
- Diabetes mellitus, Type 2
- Ischemic heart disease
- Hodgkin lymphoma, formerly known as Hodgkin's disease
- Non-Hodgkin lymphoma
- Multiple myeloma
- Parkinson's disease
- Peripheral neuropathy, early-onset
- Porphyria cutanea tarda
- Prostate cancer
- Respiratory cancers (lung, bronchus, larynx or trachea)
- Soft-tissue sarcoma (other than osteosarcoma, chondrosarcoma, Kaposi's sarcoma, or mesothelioma).

Currently, the Department of Veterans Affairs (VA) is gathering data of veterans and surviving spouses of veterans that may have submitted a claim that would have fallen under this criteria and in the past was denied. The VA will be sending notification letters out soon to those claimants and surviving spouses.

The VA is also identifying the vessels that meet the criteria of the 12 nautical miles seaward from the demarcation line of the waters of Vietnam and Cambodia; as well as getting a copy of their deck logs to be utilized in determining entitlement on claims. The VA will also be adding staff nationally to assist with these claims; and to continue working all claims that have been submitted.

If you are a veteran that either previously submitted a claim, or are a veteran that served on a vessel within the 12 nautical miles or a surviving spouse of a veteran that meets this criteria; file a claim immediately. Please provide any relevant information such as dates you served on your ship that you believed traveled within the 12 nautical miles; and include a diagnosis of the condition you are claiming. The VA will begin deciding the claims on January 1, 2020.

If you are a veteran that has a claim pending and/or in the appeals process, they have been placed on hold (stayed) until the new rule goes into effect on January 1, 2020. The VA has done this to comply with the law that Congress passed.

For further questions, please contact your local Paralyzed Veterans of America National Service Officer.

VETERANS PRESS 1**

Advocacy/Legislative Report *by Lawrence Brown*

PVA Associate Director of Government Relations, Heather Ansley and PVA Senior Associate Advocacy Director, Lee Page visited with Southwest Airlines executives and toured the company's training facilities at the air carrier's headquarters in Dallas.

Ansley and Page spoke with leaders and team members in customer service, in-flight service, in-flight experience and ground operations.

During those meetings, Ansley and Page expressed PVA's concerns with wheelchair damage, problems with the boarding and deplaning equipment and assistance and lack of aircraft accessibility.

Moving forward, PVA will continue to make similar visits to other airline facilities to learn more about their operations and encourage improvements in the air travel process for passengers with disabilities.

ELECTION BIO'S

Dan Kaminski

Running for: **President**

I am a founding member of this chapter, which was established in 1999.

Committed and dependable President of Nevada Paralyzed Veterans of America. Have developed excellent skills in management, event planning, fundraising, investing and time management. I am a quick learner and very motivated. I have excellent leadership/team management skills which allow me to ensure the growth and chapter awareness in the community needed for leading a non-profit organization.

As President and Board Member I have performed the following duties:

Oversee all programs including but not limited to, fundraising, adaptive sports, membership, administration, communication and hospital liaison.

Attend member activities such as Wellness Group, sporting events, fundraising events, community outreach events, etc.

Maintain an open and active communication between our chapter and other service organizations.

Maintain open and active communication between the chapter and our Congressional Representatives by attending roundtable discussions, town halls and other events they sponsor.

Give direction for event planning such as annual membership meeting, 5K fundraiser, fishing outing and monthly board of directors meeting.

Marc Fenn

Running for: **Director**

US Army 1988-90 Infantry Airborne. Paraplegic since 1990. Former two time Paralympic athlete in track & field in 1996/2000. Silver medalist in discus-national record. Hall of Fame inductee 2019. Lifetime member of PVA and associated with Nevada PVA since 1999. Promoting sports and adapted recreation since 1990.

Motivational speaker/peer counselor/mentor/Ambassador for adapted recreation with the PVA and local communities.

Lawrence Brown

Running for: **Secretary**

I served in the Armed Forces in the Vietnam War. I'm a T3 spinal cord vet. I've been a spinal cord patient for 40 years. I've been a life member of PVA since 1982. Worked with the Texas PVA chapter for five years before I moved to Las Vegas, I was one of the founding members of the Nevada Chapter. I have degrees in Mid Management, Finance Management, Human Relations and PRN. I look forward to working with the board members as well as with the President and Vice President.

Dominic Cirino

Running for: **Treasurer**

I was born in Detroit and raised in the city and enlisted in the Air Force in June of 1967. I was a Morse Intercept Operator and cross trained as a Cryptographer.

I was honorably discharged in 1971. Got married in 1972 to my wife Judy and had two children. Graduated from the University of Michigan and was regional manager for a courier company. We moved to Las Vegas in 2005.

I am currently retired and my wife and I volunteer at the VA Hospital.

Bill Burns

Running for: **Director**

I have been married to my wife Regine for 35 years and we have three grown children. We have lived in Las Vegas for just over four years. I grew up in North Alabama.

I have been a lifetime member of PVA since my injury in 1988. Prior to becoming a member of the Nevada Chapter, I was a member of the Mid-South PVA located in Memphis, TN. I served in the Army from 1977 until my permanent medical retirement in 1990.

While serving in the Army, I attained the rank of Staff Sergeant 11B30H. As an infantryman, I served as a rifleman, M60 gunner, team leader and squad leader. I also served as a Basic Training Instructor at Ft. Bliss, TX.

My last assignment was as Squad Leader with the 25th Infantry Division at Schofield Barracks in Hawaii. While there we were deployed to Australia where I suffered a T-11 complete spinal cord injury while on maneuvers. I was evacuated back to Hawaii while my medical retirement paperwork was started. I started my transition to the Spinal Cord Injury Center in Memphis, TN

Post military career, I moved back to Huntsville, AL where my wife owned a small business for many years. I served on the local youth baseball board that served almost 1,000 children. I also volunteered with the Tennessee Valley Council of Boy Scouts of America as the Advancement Chairman. I was also selected by my adult peers to be inducted in the BSA Order of the Arrow.

If selected to join the board, I hope to use my past experiences to keep the Nevada Chapter as a premier chapter with National PVA.

L.E. Curtis

Running for: **Director**

I served in the US Navy during the early stages of the Vietnam War. I was honourably discharged in 1966 as an HM2, hospital corpsman 2nd class. I studied at San Diego State University where I earned a BS in Health Science and at San Jose State University where I earned a Masters in Public Health.

From 1985-2003 I served the Bay Area and Western PVA chapter as a member of the board of directors, sports director and filled in as secretary/treasurer.

Roger Dauffenbach

Running for: **Director**

I have a cervical injury C-3 and an ambulatory member of the Nevada PVA, Reno District.

My Marine Corps career was December 3, 1963-December 1969. I was discharged from the Reserves with a rank of E4. In my past life I worked at the Palo Alto VA Hospital as a contract Perfusionist, running the heart lung machine during open heart surgery for 26 years.

After retirement I started a bank courier service for NV Security Bank in Reno. After five years, the bank decided it no longer needed my services and laid me off in March 2007. While working for the bank I took on a partner to start an engine install business for super performance cars. In August 2006, I turned the business over to my partner.

I have been on the Board of Nevada PVA for several years now and a few years ago I was appointed the Advocacy/Legislative Director. In this capacity, I travel to Capitol Hill annually to meet with Nevada representatives on issues of importance to veterans and specifically members of PVA. I also attend legislative sessions in Carson City when the legislation meets.

Tom Hudson

Running for: **Director**

Hello, I'm Tom Hudson SCI VA Clinic user and PVA member due to two [now presumptive to service] medical conditions that have collided. To date I have served several terms on the Board of Directors.

My met goals to date since doing so are: expansion of the Nevada PVA definitions in the Step Outside Program to include all meal venues & times without them having to be part of a larger outing; getting a number of Northern NV businesses to give PVA members discounted services; insuring that these businesses receive regular recognition; worked with the office to get a portion of the website made Reno area specific and constantly updated; continue to act as a liaison with Reno Recreation to get word out of local outdoor activities to our members; and have working relationships with Northern NV & CA disabled sports organizations so that other venues are reported timely so that travel, meals and accommodations can be secured by Nevada PVA members.

Over the last seven years I've worked with the Reno Air Race Association and Veterans Initiative in Technology, Aerospace & Logistics (vital.org) a NV registered 501, C-19 non-profit, to get our members out for a free day of Air Race enjoyment.

As a paralegal, I have currently done legal research on legislative issues for the parties that are proposing legislation, and also for concerned effected users of these legislative proposals. The areas of assistance also include the Fair Housing Act issues, PTSD discrimination research, agency age exclusion issues, and Veteran's Rights, ADA and ACAA violations.

I continue to promote Nevada PVA's existence as much as possible and am asking for your vote to return to the Board of Directors.

Mike Romanowski

Running for: **Vice President**

I was born and raised in Detroit, MI. I then enlisted and served in the United States Air Force as a Security Policeman from 1994-1998. I was stationed for three years at Kadena AB in Okinawa, Japan and spent one year at Hanscom AFB in Lexington, MA. I was honorably discharged in 1998 as a Senior Airman and then became a police officer in Michigan. After I was diagnosed with Multiple Sclerosis, I went to work at FedEx as a Logistics Analyst. While at FedEx, I went to Northwood University in Midland, MI, where I earned both my Bachelors in Business Administration (BBA) and then finished my college matriculation with my MBA.

I have worked since 2018 as a Training Officer at the Mob Museum in Las Vegas. I joined the Nevada PVA Board of Directors in 2019 and currently serve as Sports Director.

Connect With What Matters

Chrysler Pacifica

Being there makes a difference

It could be a simple trip to the mall, a ride to the movies or just a visit to friend's home. The little things in life can make a big difference. It's why MobilityWorks has been helping veterans connect with who and what matters most since 1997. Veterans have unique needs so we treat each of them as individuals. First of all, we listen. Then, we work together to find the best solution.

MobilityWorks has over 70 locations across the country with the largest selection of accessible vehicles and adaptive solutions:

- Converted minivans, full-size vans and SUVs — Chrysler, Dodge, Ford, Honda and Toyota
- Pre-owned accessible vehicles
- The latest in adaptive technology including transfer and turning seats, scooter lifts and hand controls
- Complete maintenance and service on adaptive driving equipment, lifts and conversions
- Daily, weekly and long term rental vans
- Financing options to fit your personal needs
- Accept all makes and models on trade
- 24-hour roadside assistance with wheelchair transportation

MobilityWorks is committed to serving you. Contact us today so we can evaluate your needs and find a solution that best fits your lifestyle.
